Finance and Fees Policy

V25.1.0

1. General

1.1 “Clarence International School” is operated by the private company Clarence Education Limited (Registered address 3-9-5 Minami Aoyama Minato-ku Tokyo). Education provided by CIS is deemed as “Services” by the Japanese law. As a private independent school running an international curriculum, CIS does not receive any government funding. Tuition and other fees are set based on the operating and capital expenses required to provide the full list of educational services CIS offers. Therefore punctual settlement of fees is expected to ensure service continuity and school development.

1.2 CIS reserves the right to make the final decision on the fees of all services.

2. Fees

2.1 Fees of all services that CIS offers are subject to annual review, and an updated School Fees Schedule will be published and circulated before the 31st of May of every year. Fees will be updated reasonably based on business, industry and economic parameters.

2.2 CIS accepts fees from corporate sponsorship as well as directly from families.

2.3 Either or both parents agree to be the payer(s) of all school fees. If a third party (for example a grandparent, employer or sponsor) intends to pay a child’s fees, a written agreement between the parents, CIS and the third party has to be reached in advance. CIS has full discretion over whether or not to accept payment from a third party.

Undelivered lessons during such temporary closure will not be subject to any refund or make-up lessons.

CIS will carefully gather information from relevant authorities, specialists and public media, and will also do its best to resume school in the shortest possible time that it becomes appropriate, or do its best to maintain academic continuity of pupils' learning including via Online and Remote Learning (ORL).
