Finance and Fees Policy

V26.1.0

1. General

1.1 “Clarence International School” is operated by the private company Clarence Education Limited (Registered address 3-16-25 Nishi-Azabu, Minato-ku, Tokyo). Education provided by CIS is deemed as “Services” by the Japanese law. As a private independent school running an international curriculum, CIS does not receive any government funding. Tuition and other fees are set based on the operating and capital expenses required to provide the full list of educational services CIS offers. Therefore punctual settlement of fees is expected to ensure service continuity and school development.

1.2 CIS reserves the right to make the final decision on the fees of all services.

2. Fees

2.1 Fees of all services that CIS offers are subject to annual review, and an updated School Fees Schedule will be published and circulated before the 31st of May of every year. Fees will be updated reasonably based on business, industry and economic parameters.

2.2 CIS accepts fees from corporate sponsorship as well as directly from families.

2.3 Either or both parents agree to be the payer(s) of all school fees. If a third party (for example a grandparent, employer or sponsor) intends to pay a child’s fees, a written agreement between the parents, CIS and the third party has to be reached in advance. CIS has full discretion over whether or not to accept payment from a third party.

3. Donation

As an educational institution, CIS welcomes financial contributions in the form of donations and in-kind support to further the growth and development of the school.

5. Late Settlement or Failure of Payment

5.3 In the event of late settlement or failure of payment, the pupil's place may be offered to candidates on the waiting list, and this may result in automatic withdrawal.

5.4 Repeated late payment or failure to pay for fees by the deadline, and/or accumulation of several periods of unsettled accounts may result in termination of the service. Refer to the Admissions and Enrollment Policy for more information.

6. No Refund Policy

6.1 After payment, all fees are non-refundable under any circumstances.

6.2 Fees will not be refunded for absent days and CIS is unable to offer make-up lessons.

6.3 In the event of circumstances beyond CIS's reasonable control, including but not limited to a state of emergency declaration, acts of government imposing travel or work restrictions, quarantines or trade embargoes, war, terrorism, earthquakes, plagues, epidemics or pandemics, extraterrestrial activity, extreme weather such as heavy rain, snow, typhoon, hurricanes or other natural disasters, the school may need to be closed temporarily. Undelivered lessons during such temporary closure will not be subject to any refund or make-up lessons.

CIS will carefully gather information from relevant authorities, specialists and public media, and will also do its best to resume school in the shortest possible time that it becomes appropriate, or do its best to maintain academic continuity of pupils' learning including via Online and Remote Learning (ORL).
