Art, Music, Dance and Stories!

This October, children will step into our magical Enchanted Seasons Festival – a creative holiday programme filled with performing arts, storytelling and hands-on autumn art.

Across the week, children will explore light, wind, forest colours and starlit skies through movement, music, sensory play and imaginative stories.

Each age group will become a special “Season Spirit”, giving every child a sense of belonging and excitement as they create, dance and discover together.

A joyful, creative celebration of autumn for all children aged 18 months to 5 years.

**Join us for a week
brimming with enchantment!**
